Interviews for leaders from wards meeting at the stake center or Green Bluff Building will be held in the Stake offices in the Stake Center. Interviews for leaders from wards meeting in the Francis or Shawnee buildings (other than the Shawnee YSA Ward) will be held at President Martin's home. Please review the time and date of each interview for the year, and compare it to your existing schedule. If you find a conflict with your work schedule, vacations, or other events, please review the list to find a date and time for that month that would better fit your schedule, and then contact the leader on the list who is assigned that time to try to make an exchange.
