--	--

---

All interviews will be held in the Stake offices in the Stake Center. Please review the time and date of each interview for the year, and compare it to your existing schedule. If you find a conflict with your work schedule, vacations, or other events, please review the list to find a date and time for that month that would better fit your schedule, and then contact the leader on the list who is assigned that time to try to make an exchange.

---

**Other Meetings**

---
